

# CPS Framework for Teaching Domain 1 Summer Webinshop

July 1, 2017 - August 1, 2017

5 ISBE PD Hours

This 5 ISBE Credit Hour Webinshop will introduce CPS teachers who are currently evaluated using the CPS Framework for Teaching (Ft) with tools, strategies, and techniques for aligning their practice to the “Distinguished” level. Teachers will be able to log on to the Canvas online learning system and view instructor-led video sessions, reflect upon their practice, and respond to assignments aligned to reviewing the Ft. Participants can expect to respond to relevant questions about their own practice, upload or create supporting documentation that can later be used for their professional development portfolio and/or uploaded to the CPS Reflect and Learn system. In addition, participants will receive feedback and advice from the Webinshop instructor, to support their practice. This offering is aligned to the CPS Framework for Teaching Domain 1 – 1a, 1b, 1c, 1d, 1e. Instructor: Theresa Insalaco-DeCicco, M. Ed., NBCT
