What is Nurturing Teacher Leadership?

Nurturing Teacher Leadership is a 2-year program of professional development and candidate support that prepares CPS teachers for National Board for Professional Teaching Standards (NBPTS) certification. It includes:

- ✓ Weekly professional development and small group facilitation
- ✓ Collaboration with a cohort of other CPS teachers going through the certification process – professional learning community
- ✓ Technical support
- ✓ Assessment Center preparation simulations
- ✓ Individual mentoring
- ✓ CPS National Board Certified Teacher mentors
- ✓ Credits to move to Lane 5 on CPS salary scale

NTL-The sole support program for CPS teachers

The Chicago Teachers Union Quest Center's **Nurturing Teacher Leadership** (NTL) program offers a small supportive group setting in which National Board Certification (NBC) candidates work collaboratively and are mentored by National Board Certified Teachers. We read, study and discuss literature and research on current issues and concepts in education, applying our new or refined insights to our teaching practice. We provide multiple resources, support, and incentives. Our focus is on developing, improving, and validating teaching, thereby increasing student achievement.

During weekly meetings, successful teaching practices are recognized and shared. NTL facilitates all aspects of the intensive 2-year NBC process. We assist teachers with descriptive, analytical, interpretative, and reflective writing required for the National Board portfolio. We provide technical assistance for required documentation of your work, facilitation with analyzing student work, professional development on differentiation of instruction, individual coaching and mentoring, and preparation for the rigorous Content Knowledge Assessment exercises. NTL supports all CPS teachers throughout the entire certification process, providing technical, professional, intellectual and moral support. After achieving National Board Certification, opportunities are available for you to support others—at a professional wage. The CTU Quest Center is *teachers working for teachers* to improve the achievement of Chicago's children.
